

## water-cartridge-spacer-footprint - 1:1 footprint, tiled

Full size: 250.5 x 250.5 mm - too large for one Letter/A4 sheet.

Printed across  $1 \times 2 = 2$  tiles.

PRINT SETTINGS (critical):

- Scale: 100% / Actual size (NOT 'Fit to page').
- Then measure the square below: it must be exactly 100 mm.

ASSEMBLY:

- Trim each sheet to the crop marks.
- Tiles overlap 0.5 in; align the outline across the seam and tape.

Measure after printing to confirm 100% scale

Calibration: this square is 100 mm x 100 mm
